(Why did you apply for the position? Why should you be selected?)

---

**1** Please return your application with attachments (resume & unofficial transcript) by email to [workshops@egr.uh.edu](mailto:workshops@egr.uh.edu) and drop off a hard copy to E316 Eng. Bldg. #2.

---

**2** Please return your application with attachments (resume & unofficial transcript) by email to [workshops@egr.uh.edu](mailto:workshops@egr.uh.edu) and drop off a hard copy to E316 Eng. Bldg. #2.

Attach your resume and unofficial transcript from PeopleSoft. Make sure your transcript shows your overall GPA and last semester GPA. Let us know if you are a permanent resident, citizen, or international. This is to see what funding source we can pay you with. Indicate also if you are a present HLSAMP Student, PROMES Student, or if you applied to those groups. Go on line at [www.hlsamp.uh.edu](http://www.hlsamp.uh.edu) then click on "To Apply". Make sure you indicate you want to be a facilitator or assistant facilitator in your application.

## **PROMES ENG. Workshop Facilitator Selection Process**

Engineering Workshop position applications are **due no later than January 6, 2017**. Interviews will be scheduled after the application is received and reviewed.

**Please send this application by email to [workshops@egr.uh.edu](mailto:workshops@egr.uh.edu).** If you will receive College Work Study funding in the Fall, please let us know.

A grade of A or A- should have been received for any course you wish to facilitate.

A grade of B- or better should have been received for any course you wish to assist.

Facilitators and Assistants will attend a bi-weekly meeting with Mr. Garcia.

Required Training will occur before school starts, some time in August. If you have not attended the 4.0 presentation, you will need to attend. We are looking for leaders who will support the Guaranteed 4.0 Learning System, and model those techniques to workshop students.

Facilitators will have to hold weekly office hours two hours per week.

Possible Workshops:

**Circuit Analysis (ECE 2300)**  
**Electronics (ECE 3355)**  
**Chemical Processes (CHEE 2331)**  
**Chemical Fluids (CHEE 3363)**  
**Chemical Thermo I (CHEE 2332)**  
**Mechanical Thermo I (MECE 2334)**  
**Mechanics I (Statics) (CIVE 2330)**  
**Mechanical Dynamics (MECE 3336)**  
**Petro Physics (PETR 2311)**  
**Petro Reservoir Fluids (PETR 2313)**  
**PETR Fluid Mechanics (CHEE 3363)**

Note: There is no guarantee that a workshop will be offered. We require at least 10 students to be enrolled in a workshop.

Positions include: Facilitator and Assistant Facilitator

---

**3** Please return your application with attachments (resume & unofficial transcript) by email to [workshops@egr.uh.edu](mailto:workshops@egr.uh.edu) and drop off a hard copy to E316 Eng. Bldg. #2.
