PROGRAM for MASTERY in ENGINEERING STUDIES

WORK INFORMATION (Include Work Study)

Will you be working while attending school? YES _____ NO _____
If yes, complete: Number of hours per week: _____

Family Background:

Please indicate the highest level of education attained by each parent:

Mother: (Check all that apply)

- High School GED or diploma
- Some community college, but no degree
- Associate's degree
- University attendance, but no degree
- Bachelor's degree
- Graduate degree (Masters)
- Graduate degree (Doctoral)
- Medical degree (MD/DO)
- Law degree
- None of the above

Father: (Check all that apply)

- High School GED or diploma
- Some community college, but no degree
- Associate's degree
- University attendance, but no degree
- Bachelor's degree
- Graduate degree (Masters)
- Graduate degree (Doctoral)
- Medical degree (MD/DO)
- Law degree
- None of the above

Has anyone in your extended family received a college degree? (Yes/No) _____
(Including grandparents, uncles, aunts, and 1-st cousins)

How did you first hear about PROMES? (Check One)

- Fellow Student
 - Parents
 - Instructor/Counselor
 - Friends of Family
 - Orientation
 - Other (Specify): _____
-

UNIVERSITY of HOUSTON

PROGRAM for MASTERY in ENGINEERING STUDIES

Statement of Goals

Please write a brief paragraph stating your reasons for wanting to join the PROMES program. Include your short- and long-term goals at the University of Houston.

I understand the program requirements as outlined in the “Membership Requirements for PROMES Program” page and agree to complete all program requirements as a condition of my continued membership in the PROMES program. I understand that membership in PROMES requires a minimum commitment of one year.

I understand that completing this application does not guarantee my acceptance into the PROMES program and that I will be notified of the status of my application by a PROMES staff member once my application has been processed.

Print your name: _____

Signature: _____

Date: _____

Thank you for your interest in PROMES. Please **return your completed application** to the reception desk in the PROMES/Student Success suite (**Engineering Bldg. 2, E316**). We do not suggest e-mailing applications as e-mail is not a secure form of communication. If you do use e-mail, you do so at your own risk. Applications will be accepted until all classes are full. You will be contacted by the PROMES staff once your application is processed.

Once accepted into the program, you should register for the appropriate first-year course. Freshmen should register for the PROMES section of ENGI 1100P (Class # 24480) TuThu 4:00-5:30 **or** ENGI 1100P Mo-Wed 1:00-2:30 (Class # 30643). Transfer students and upperclassmen should register for ENGI 1100/EGRP 1120 (Class # 23274) Mo-Wed 1:00pm-2:30pm **or** (Class # 23273) Mo-Wed 4:00pm-5:30pm. Please contact Dr. Diana de la Rosa-Pohl (ddelarosa2@uh.edu) or Ms. Toni Richerson (tricherson@uh.edu) if you have a conflict.

UNIVERSITY of **HOUSTON**

PROGRAM for MASTERY in ENGINEERING STUDIES

Membership Requirements for PROMES Program

The PROMES program is looking to include students who:

- Want to be the best engineering student they can be.
- Realize that it may require them to learn more effective ways to study.
- Want to learn how to collaboratively work in groups.
- Want to develop soft skills for professional development.
- Want to learn how to maximize what they can accomplish in a day or week.
- Want to be give back to the community with service.
- Want to be included in Excellence Workshops.
- Want to develop leadership skills.
- Want to work in a diverse scholastic environment.

Your requirements for this program include **ALL** of the following:

- Complete either the **PROMES first-year experience** (2 classes) for **freshmen**, or the **PROMES second-year experience** (2 classes) for **transfer students and upperclassmen** during the first year of membership in PROMES.
- Register for **at least one SEP or PROMES Academic Excellence Workshop** each semester during your first year of PROMES.
- Attend the **Donna O. Guaranteed 4.0 seminar** (October 14, 2016). You also agree to incorporate the Guaranteed 4.0 Study System into your approach to student success.
- Participate in the **PROMES Action Committee (PAC) Mentor/Protégé Program** where you will receive an upperclassman mentor.
- Join at least one **engineering student organization** during your first year.
- Attend one **PROMES advising session** with a PROMES staff member during each semester of your first year in PROMES.
- Attend the **PROMES Thanksgiving Potluck** (November 18, 2016).
- Attend the **PROMES Winter Networking Event** (December 5, 2016, 11am-4pm).
- Attend our Annual **PROMES Awards Banquet** (April 20, 2017).
- Be accountable for your own success and the success of your PROMES peers. “*No Engineer Left Behind!*”
